YOU NEED CASCARETS

Spend a Dime! Live Your Liver and Bowels and Feel Bulky.

Take one or two Cascarets to-night and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. Wake up feeling grand, your head will be clear, your tongue clean, breath sweet, stomach regulated and your liver and thirty feet of bowels active. Get a box at any drug store now and get straightened up by morning. Stop the headache, biliousness, and bad days. Feel fit and ready for work or play. Cascarets do not grip, sicken or inconvenience you the next day like salts, pills or colic.—Advt.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Clears the blood, the bowels and the liver with Olive Tablets.

Dr. Edwards' Olive Tablets are the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with "a dark brown taste," a bad breath, a dull tongue, "no good" feeling, constipation, forced liver and disposition or simply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. Dr. Edwards' Olive Tablets are the only medicine that cleanses the blood, the bowels and the liver, and Olive Tablets are the only medicine that cleanses the blood, the bowels and the liver.

Take one or two tablets a week. See how much better you feel and look. 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O. Advt.

Looking Younger Every Day!

What a pleasure to the "three score and—" man or woman to be greeted this way! Think of the immediate joy and lasting satisfaction to the returning son or daughter to find the parents not growing old.

None but the old fully appreciate youth and its vigor, however. To grow old gracefully is Father Time's best gift to them. Every day experience proves that a good stimulant properly used will accomplish much to keep the old young. It can't defy age, but most everyone knows of cases where it has prolonged life for years. That's why unprejudiced physicians recommend a good pure whiskey for elderly people.

When a Physician Prescribes Whiskey, Insist on Duffy's Pure Malt Whiskey

No purer whiskey can be obtained. The grain from which it is made is the best that can be found, and is thoroughly malted to assist digestion. It is also distilled over and over again to remove every possible trace of any injurious substance. It is unlike any other.

With its prescribed advice of a "tablespoonful in water or milk before meals and on going to bed," Duffy's Pure Malt Whiskey has earned the reputation of an excellent tonic-stimulant for temperate use. Its 56 years of continued use by thousands of people has shown that it prompts the stomach to healthy action, promotes digestion and assimilation of food, enriches the blood, and brings strength and vigor to the system.

Make some old friend happy with a bottle of Duffy's. Keep it in your own home for emergencies.

"Get Duffy's and Keep Well."

Sold in sealed bottles only. Beware of imitations.

NOTE: Get Duffy's from your family wine store, licensed druggist or grocer. If he can't supply you, write us. Send for useful booklet, "Duffy's and Keep Well."
